

**You can support The Breast Cancer Research Foundation through your Bar or Bat Mitzvah!**

Ask your friends, family and loved-ones to donate to The Breast Cancer Research Foundation in lieu of gifts on this special day.

Your guests will know that their gift has helped support crucial breast cancer research, bringing us one step closer to achieving prevention and a cure in our lifetime.

On the reverse is a suggested wording for cards, which could be sent out with your Bar/Bat Mitzvah invitations. This is just a suggestion! You can word your cards in whichever way you choose, or you may have a different idea for letting your guests know about the BCRF.

If you are interested in donating to BCRF through your Bar/Bat Mitzvah, please contact:

Carol Edwards  
646-497-2607

[cedwards@bcrcure.org](mailto:cedwards@bcrcure.org)

Carol will answer questions and walk you through the entire process. We can also send pink ribbons and other materials for you to distribute to your guests if you would like. BCRF will send an acknowledgement letter to each guest who makes a donation, thanking them for supporting the Foundation through your event.

Thank you so much for supporting The Breast Cancer Research Foundation at this special time in your life.

Together, we will find a cure in our lifetime!

**DEAR FAMILY AND FRIENDS ~**

As I approach my Bat/Bar Mitzvah, I have thought about what I can do to make a difference in the world. During this process I feel as though I have learned much about myself and about caring for others. I know how fortunate I am and that there are others who are struggling with health concerns that are not in their power to overcome.

For my Bat/Bar Mitzvah, I would like you to donate the gifts you would have given me on this occasion, to The Breast Cancer Research Foundation, to support the essential work being carried out by over 170 researchers around the world.

I know your generosity will help in finding a cure for this disease – together, we will find a cure in our lifetime!

**LOVE,  
[YOUR NAME]**
