It's TIME FOR RESEARCH™  
to Cure Breast Cancer.

20 women are diagnosed  
with invasive breast cancer  
in the U.S. every hour.

You can make a difference.

TIME FOR RESEARCH™  
is The Breast Cancer  
Research Foundation's  
online program where you  
sponsor research time.

BCRF funds the best and  
the most innovative breast  
cancer research projects in  
the world. And as always  
with BCRF, a minimum of  
85 cents of every dollar you  
donate goes directly to  
research and awareness  
programs.

Sponsor a half-hour for \$25,  
an hour for \$50, two hours  
for \$100, half a day for  
\$600. Each hour is \$50.  
There is no limit.
